# Too Much Knife!

The use of the surgeon's knife is becoming so general, resulting fatally in such a large number of cases, as to occasion general alarm.

Mr. William Wallace, of Washington, South Dakota, writes: "About three weeks ago I was afflicted with a little skin trouble on the side of my face. I used a small safety razor, and after shaving, shooting pains ran in every direction. I became alarmed and consulted a good doctor, who pronounced it cancer, and that it must be cut out. I would not consent to having the knife used on me, but the doctor insisted on it. He read of the many cases of cancer, and I determined to give the medicine a trial, and after I had taken a few days, the cancer became irritated and began to discharge. This after a while passed, leaving a small scar, which finally dropped off, and only a healthy skin remained. I was very glad, where the doctor had held full sway."

## A SURPRISE TO OWENSBORO.

HENRY HART ARRESTED CHARGED WITH EMBEZZLEMENT.

Had Long Been Teller of the First National Bank and Exceedingly Popular.

WAS RELEASED ON \$10,000 BOND.

OWENSBORO, Ky., June 23d.—The friends of Henry Hart, teller of the First National Bank, were shocked by the news of his arrest when it was known that he had been arrested for embezzlement on a warrant issued by National Bank Examiner J. S. Egan.

Mr. Egan arrived in Owensboro Monday night, and yesterday morning he had a regular examination of the First National Bank. He soon discovered evidence of the embezzlement through foreign correspondents, chiefly in London, in various amounts, and he found that the embezzlement began with a small amount January 1, 1907. The total amount taken is \$2,100.

Mr. Egan at once telegraphed to Federal District Attorney Smith, and, after consultation, at noon today issued a warrant for Hart's arrest for his United States Commissioner J. Bell.

Hart was arrested at his home at 1:30 o'clock this afternoon by Deputy Marshall Smith. He was taken to the jail at the time. At 8 o'clock he was taken before Commissioner Bell, who examined him, and he was held on a \$10,000 bond, which he executed over the following bonds.

His sureties are: James H. Hickman, who is Vice President of the First National Bank; E. H. Lusk, Jr., Clerk of the Bank; H. C. Englehart, Jr., H. C. Hughes, J. C. Englehart, J. D. Griffith, Sam J. Shaddock, J. D. Elliott and H. E. Englehart. The bonds were entered into an agreement to share equally any loss.

While in the jail Hart and his friends were visited actively. After he had given bond a number of his friends accompanied him to his home, where he was released. He was released on a \$10,000 bond, which he executed over the following bonds.

Hart is married and one of the most popular young men in Owensboro. He has a family of three children. He is a native of Ohio and has been in Owensboro for many years.

YOUNG LADIES, ATTENTION!

Young ladies who wear steel in their corsets not only attract the men but the lightning as well. At Baltimore, O., three young ladies who had steel in their corsets were killed by the same bolt of lightning, and some of the early frightened have decided to discard corsets entirely, even though they look like a wool sack with a string tied in the middle.
